Download Whitney Houston - The Ultimate Collection (1992) [BluRay x264]. The Ultimate Collection: 2001–2006 (2001) (Sony Music Soundtrack). Whitney Houston was born on April 1, 1963, and she is considered to be one of the most prolific and successful. Although she debuted on the music scene a little late, by the time of her release of her first studio album, she had already started to make a name for herself. As time went on, her popularity continued to soar, and with the release of The Bodyguard, she became a much more successful artist. Houston had a very successful career, becoming one of the most successful female recording artists of all time. She is also one of the best selling recording artists of all time. Whitney Houston was signed to the now defunct Epic Records. Although she did record for other companies, most of her work was released on her own label, Arista Records. Some of her best known singles are I Will Always Love You, How Will I Know, I Have Nothing, and I Will Always Be Your Sunshine. While she had a very successful career, Houston is also known for her numerous personal tragedies, including drug abuse and abusive relationships. After her death, The Ultimate Collection was released, and a tribute album to Whitney Houston was released shortly afterwards. The success of the album and the various tributes to Houston, as well as her known name in the music industry lead to the production of a Greatest Hits album. In 2009, a 20th anniversary of The Bodyguard was celebrated, and a new album was released, The Bodyguard - Original Soundtrack: The 20th Anniversary Edition. The album includes new songs, as well as various remixes and album versions of the soundtrack, as well as new interviews with the people who worked 2d92ce491b
