Mrs. Johnson Takes Her Sissy Stepson: A Futa-on-Male, Taboo, Sissification Erotica (Futa MILF In Cha Get more Wife Stories: I was taking a bath when my little sissy boy boy saw me and he came in my room and started to touch my boobs and played with my pussy I asked him to join me and he did come into the tub with me I was just playing with his small cock when he saw I was wearing my dress he thought I was wearing his mom's dress and started to suck my boobs and play with my pussy I asked him to continue he did suck on my boobs and rubbed my clit with his cock then I felt his dick throbbing and cum inside my mouth and I licked it all off his dick and thanked him for that I had never done anything like this before. He had been adopted at 5 months old. He was 8 years old. His biological mother had her tubes tied after he was born. I had so much respect for him. He had a very innocent face. His Mom had me call him when I would pick him up for his weekend visitation, I picked him up this week. He asked me if he could come inside for a while. I agreed and he came inside and got into the tub. I started to suck his cock and he was very happy to be being touched by a woman. I sucked his cock for quite some time, I was sucking his cock for about 10 min and then he asked me to help him shower. I had him stand over the shower and turned the water on and he stepped in to the tub and showered. He really liked getting the water on his big cock. Then we got out and I showered in front of him. After our shower, I came out of the bathroom, put on a very sexy, lacy, black bra and panty set and I started to talk to him about his cock. He was about 8 inches long and about 3 inches wide. I was standing in front of him. He was standing at about my eye level. I reached out my hand and put it in his pants. 2d92cc491b
