
Bunny Black 3 BETTER

Description of the game: Like the other two games, this is a game in which you have to explore the dungeons and fight. In this game, you can play the role of a digger who descends into the dark catacombs of an abandoned mansion, restore order and free its inhabitant, whose name is Jack. During the game, you can play alone or with friends. You have to go down into an unlit corridor, which is full of dangers. A pile of coffins and dead bodies will block your path. There is nothing to do, you need to get out of here and explore a dangerous place. Walk from room to room, explore the dungeon. Collect items and use them to create artifacts.
