Category:2005 software Category:MacOS media players Category:Windows media players Category:Classic Mac OS software Category:MacOS-only softwareQ: Informal way of saying someone who is too talkative/chatty? I'd like to say something like this: My colleague is a... [x] without using the word "chatty". A: I assume you mean that your coworker talks too much. If so, then maybe "chattish" is what you're looking for. He is a chattish person. A: I would use the term verbose to describe someone who talks too much. He is a verbose person. His or her conversation is so long and disjointed that it becomes a chore to listen to him or her. (Dictionary.com) A: For talking too much, I would suggest chatty. A chatty person talks a lot; their conversation is a continual and continuous stream of words, as if from a tap. He is a chatty person. In a way, Donald Trump and the rest of his family represent the ultimate embodiment of white privilege. At a human level, it's hard not to empathize with the President's daughter, Ivanka. From the time she was a young girl, she watched her classmates bounce from one family to another. Her father was a wealthy real estate developer who put her and her brother in Donald Trump's new education facility when they were only 5 and 7, respectively. Trump had no problem spelling her name wrong on his personal correspondence, and once a year in his birthday card, he falsely celebrated her graduation from college. She was raised with more money than many will ever have, but one thing that never changed was that she spent her early years living in the presidency — that is, the White House.
